Total cash and investments, end of period	<u>\$ 2,014</u>	<u>\$ 709</u>

Cash is defined as cash and cash equivalents and is net of bank indebtedness.

SIGNIFICANT ACCOUNTING AND REPORTING PRACTICES

For the Nine Months ended December 31, 2009

The Quarterly Financial Statements for Alberta Health Services have been prepared using the deferral method of accounting. Accounting policies are consistent with those used to prepare the annual audited financial statements of the former health regions and boards. These policies are currently under review and therefore have not been standardized for this report.
